

Project Overview:	<p>FMG is developing a new mine and associated infrastructure at its Eliwana Site (Eliwana Project) located in the Pilbara region of Western Australia.</p> <p>The planned infrastructure includes 143km of rail and a 30mtpa dry ore processing facility, with production commencing in September 2020.</p>
Package Title:	Construction of Train Loadout Facility and Train Loadout Conveyor
Reference:	751EWC0019
Package Description:	<p>At the time of publishing this invitation to register an expression of interest (EOI), the Scope of this package covers the construction of the Train Loadout (TLO) facility that forms part of the 30Mtpa Eliwana Ore Processing Facility. This facility will be designed by FMG.</p> <p>The construction contract will include, but not be limited to:</p> <ul style="list-style-type: none"> • 1000t Train Loadout Bin, which will include: <ul style="list-style-type: none"> ○ installation of approximately 500m³ of concrete inclusive of foundations and a sump; ○ supply and installation of approximately 450t of steel work – including structural members, train load out bin platework and liners, handrails, walkways, pipework and cable trays; ○ supply and installation of electrical cabling; ○ installation of TLO guillotine gate, clamshell gate, hydraulics, lubrication systems and weighbridge – as supplied by FMG; and ○ installation of Switchroom and electrical equipment – as supplied by FMG. • 300 metre Train Loadout Conveyor, which will include: <ul style="list-style-type: none"> ○ installation of approximately 250m³ of concrete foundations; ○ supply and installation of approximately 200t of steel work – including modules, trusses, drive station, take-up pipework and cable trays; ○ supply and installation of conveyor modules, idlers, pulleys, belting, and conveyor protection devices; ○ installation of Conveyor Drives– as supplied by FMG; and ○ installation of FMG and electrical equipment – as supplied by FMG. • Australian Standards apply. <p>Bulk earthworks, concrete supply, flights and accommodation will not form part of this Scope and will be supplied by others.</p> <p>The Eliwana Project, including 751EWC0019 is subject to internal approvals. The procurement process or scope may change at FMG discretion including to accommodate project budget and time requirements.</p>
Expression of Interest (EOI):	<p>FMG invites EOI from capable and experienced contractors and suppliers, who are safety focused and price competitive for 751EWC0019.</p> <p>Interested parties must register an EOI on the ICN Gateway: FMGSOLOMON.icn.org.au</p> <p>Registrants are required to provide the following information as part of its EOI:</p> <ol style="list-style-type: none"> a. an ICN Gateway company profile, current in all material respects; and

	<p>b. completed Preliminary Prequalification Information.</p> <p>FMG will use the EOIs to improve its understanding of market capability and interest.</p> <p>Suitable Registrants will be invited to submit a tender for 751EWC0019.</p>
EOI Closing Date:	23 rd November 2018.
Target Award Date:	At the time of publishing this invitation to register an interest, March 2019
Project Contact Officer:	<p>All communications in connection with this invitation to register an EOI for 751EWC0019, including clarifications or request for technical support in connection with the EOI or ICN Gateway, must be submitted to:</p> <p>Linus O’Brien, Principal Supply Chain Consultant Industry Capability Network of Western Australia T: (08) 9365 7556 E: Linus.OBrien@icnwa.org.au</p>
Project URL’s:	Details of additional Eliwana Project opportunities will be published on the ICN Gateway at FMGSOLOMON.icn.org.au
Disclaimer:	The information contained in this invitation to register an EOI is indicative only and subject to change at FMG’s discretion. It is intended to provide a brief outline of the relevant Supply which may be required on the Eliwana Project and should be read in conjunction with the Eliwana Project Description in the ICN Gateway.
