

Project Overview:	<p>FMG is developing a new mine and associated infrastructure at its Eliwana Site (Eliwana Project) located in the Pilbara region of Western Australia.</p> <p>The planned infrastructure includes 143km of rail and a 30mtpa dry ore processing facility, with production commencing in December 2020.</p>
Package Title:	Power Distribution – 33kV
Reference:	751EWC0023
Package Description:	<p>At the time of publishing this invitation to register an expression of interest (EOI), this package is for the design and construction of a HV Distribution system, which will form part of the 30Mtpa Eliwana Ore Processing Facility.</p> <p>The scope of this package will include:</p> <ul style="list-style-type: none"> • design, supply, installation and testing of approximately 3km of 33kV rated overhead power line; • supply, installation and testing of 33kV overhead power line pole top equipment; • power line access track and pole area clearing and grading; • supply, installation and testing of approximately 3000m of 33kV cable including both buried in conduit and above ground on cable ladder applications; • supply, installation and testing of HV cable termination kits; • supply and installation of cable ladder, conduit and cable pits; • installation of one (1) 33kV FMG supplied switchroom and supporting substructure; and • Australian Standards apply. <p>Bulk earthworks, concrete supply, flights and accommodation are not part of this Scope, and will be supplied by others.</p> <p>The Eliwana Project, including this package 751EWC0023, is subject to internal approvals. The procurement process or scope may change at FMG discretion including to accommodate project budget and time requirements.</p>
Expression of Interest (EOI):	<p>FMG invites EOI from capable and experienced contractors and suppliers, who are safety focused and price competitive for this package 751EWC0023.</p> <p>Interested parties must register an EOI on the ICN Gateway: FMGSOLOMON.icn.org.au.</p> <p>Registrants are required to provide the following information as part of its EOI:</p> <ol style="list-style-type: none"> a. an ICN Gateway company profile, current in all material respects; and b. completed Preliminary Prequalification Information. <p>FMG will use the EOIs to improve its understanding of market capability and interest.</p> <p>Suitable Registrants will be invited to submit a tender for this package 751EWC0023.</p>
EOI Closing Date:	14 February 2019.
Target Award Date:	At the time of publishing this invitation to register an interest, April 2019.

<p>Project Contact Officer:</p>	<p>All communications in connection with this invitation to register an EOI for 751EWC0023, including clarifications or request for technical support in connection with the EOI or ICN Gateway, must be submitted to:</p> <p>Linus O’Brien, Principal Supply Chain Consultant Industry Capability Network of Western Australia T: (08) 9365 7556 E: Linus.OBrien@icnwa.org.au</p>
<p>Project URL’s:</p>	<p>Details of additional Eliwana Project opportunities will be published on the ICN Gateway at FMGSOLOMON.icn.org.au</p>
<p>Disclaimer:</p>	<p>The information contained in this invitation to register an EOI is indicative only and subject to change at FMG’s discretion. It is intended to provide a brief outline of the relevant works which may be required on the Eliwana Project and should be read in conjunction with the Eliwana Project Description in the ICN Gateway.</p>
