Our Bond expresses the principles that serve to guide our decisions and actions: they are the values that define our organisation. The core foundations of Our Bond are:

Our customers are our partners: Our success depends on our customers and suppliers choosing us. Our strength lies in working closely with them to create value and trust, together with superior products, service and ideas.

Our people are our strength: Our success comes from our people. We work in a safe and satisfying environment. We choose to treat each other with trust and respect and maintain a healthy balance between work and family life. Our experience, teamwork and ability to deliver steel inspired solutions are our most valued and rewarded strengths.

Our shareholders are our foundations: Our success is made possible by the shareholders and lenders who choose to invest in us. In return, we commit to continuing profitability and growth in value, which together, make us all

stronger.

Our communities are our homes: Our success relies on communities supporting our business and products. In turn,

we care for the environment, create wealth, respect local values and encourage involvement. Our strength is in choosing to do what is right.
