

CHEVRON AUSTRALIA OPERATIONS

TITLE: Accommodation Support Vessel for Wheatstone Platform (U-44519)

DESCRIPTION: Chevron Australia is seeking expressions of interest from service providers able to provide an Accommodation Support Vessel (ASV) in support of Chevron's Wheatstone Platform regular maintenance shutdown forecast to commence 3rd quarter 2021 for approximately 60 days.

The Wheatstone Platform is located approximately 225km off the Pilbara coast of Western Australia in approximately 670m water depth.

The Wheatstone Platform Walk to Work connection point is at 30m LAT (Lowest Astronomical Tide).

Scope of work includes (but not limited to):

Provision of a crewed accommodation vessel that meets the following key specifications requirements:

Item	Requirement
Accommodation:	150 – 500 people (including crew)
Walk to Work:	Required
Open Deck Area:	Required - Supplier to provide vessel specification
Crane Capacity:	Required - Supplier to provide vessel specification
Safety Case:	Required

The vessel must meet or exceed Australian standards regarding certification of crews, manning levels and accommodation standards. The vessel must also comply with the latest AQIS (Australia Quarantine and Inspection Service) regulations and all other applicable Australian regulations and legislation.

Contractor shall provide:

1. Company profile
2. Vessel's available for proposed work period
3. Brief operating history of vessel(s)
4. Vessel specifications
5. Crew numbers based on Persons on Board (POB) (eg.150/300/400/500 as applicable).
6. Fuel burn rates in various modes of operation (Include numbers to correspond with POB)
7. Is vessel able to mobilise unassisted or does it require assistance / heavy lift ship etc.
8. If unassisted mobilisation what are the speed/ fuel consumption figures and what crew numbers are required during mobilisation periods.
