

## Tanami Expansion 2 (TE 2) Project - EXPRESSION OF INTEREST (EOI)

<b>Project Overview:</b>	The Newmont Goldcorp Tanami Operation (NGT) is located in the Tanami Desert of the Northern Territory approximately 530 km north west of Alice Springs. The Brownfields mining operations are located at the Dead Bullock Soak (DBS) area approximately 42 km to the west of the Granites. The nearest settlement is Yuendumu some 250 km southeast of The Granites. The Tanami Expansion 2 (TE 2) Project consists of expanding the mining infrastructure at Newmont Goldcorp Tanami Operations and potential increase of current ore production rate from its current nominal 2.6 Mtpa.
<b>Package Title:</b>	<b>Monorails and Winches</b>
<b>Reference:</b>	<b>P4507</b>
<b>Package Description:</b>	<p>Design, supply, fabrication, inspection and testing of EOT cranes, monorail cranes and lifting hoists and winches, including all necessary accessories, and delivery.</p> <p>Crane components shall be of a type and make acceptable to Newmont and shall fall under the appropriate classification of AS 1418.1, AS 1418.2, AS 1418.3 and AS 1418.18.</p> <p>The Supplier should address the following during design and manufacture of the equipment:</p> <ul style="list-style-type: none"><li>• The equipment shall comply with requirements specified in equipment data sheets and shall be designed for intermittent operation at any load from 0-100% capacity in a dust laden exposed environment, with minimum downtime for servicing and maintenance.</li><li>• All designs should facilitate ease of access for handling, transportation, installation, adjustment, control, inspection, maintenance and repair.</li><li>• The equipment shall be self-contained.</li><li>• All materials shall be new and certified and of suitable quality for the purpose.</li><li>• All steel shall be designed in accordance with the relevant Australian design codes.</li></ul> <p>Contractors are to supply all labour, equipment and consumables to facilitate the works.</p> <p>In accordance with Newmont's commitments to building local and Indigenous capacity in the region, the tender evaluation will include a weighting for utilising local regional businesses in the Northern Territory.</p> <p>Newmont reserve the right to combine this package and or parts of this package with any other project package.</p>
