MC Labour has over 20 years' experience in providing labour solutions and are specialists in managing a workforce.

## Summary

Founded on the core principle of delivering a holistic approach to labour hire, MC Labour Services is committed to understanding the unique needs of each individual project and client. This ensures that each and every time we are engaged, you can rest assured that you'll receive an efficient, cost effective and quality labour hire solution, tailored specifically to suit your exact requirements.

Combine this with our industry-leading database of more than 20,000 experienced personnel who can be mobilised at short notice, across a broad range of industries from security to traffic management to rail & industrial labour, and it's not long before you start to realise that we're a genuine 'one-stop-shop' with the ability to supply total workforce solutions, allowing you to concentrate on your core business.

## Description

MC Labour has over 20 years' experience in providing labour solutions and are specialists in managing a workforce. Since commencing in 1995, MC Labour has grown from having a reputation as a construction industry specialist to partnering with many of Australia's leading companies by servicing multi-faceted labour needs including cleaning, traffic and security across a broad range of sectors. Originating in Melbourne, MC Labour now has offices across Australia from Queensland, Tasmania and South Australia.

The core values of respect, integrity and understanding are at the centre everything we do, from the way we attract and retain the most qualified professional people to finding tailored solutions for businesses. Our intimate knowledge of how the industries we support work means we can place the best person for the job every time, even at short notice. Additionally, the MC Labour has a strong belief in diversity and is an equal opportunity employer. We are committed to increasing employment opportunities for all, particularly across the Indigenous community, all cultures and genders. We are therefore very experienced at managing diversity in the workforce and are rewarded with highly motivated employees. As we grow, we will continue to set the highest possible standards in personnel hire to deliver results for our clients, and importantly, for our workers.

MC labour Services Specialising in employment services for both temporary and contract labour hire. Our experienced operations team is committed to delivering effective and measurable labour solutions across all industry sectors including; Building & Construction, Civil & Rail Construction, Demolition, Solar & Energy, Mining & Minerals, Oil & Gas, Manufacturing and Processing Industries.

MC Security is a dynamic and professional company offering a comprehensive range of guarding, electronic and risk management solutions customised to specific client requirements. MC Security evolved from the remarkable success of MC Labour and was established following requests from existing clients to deliver security services with the same high quality personnel and service methodologies.

MC Traffic Management is a dependable and proficient provider of Traffic Management Solutions in Australia. We are committed to providing the complete Traffic Solutions including traffic management plans, organising permits, road signage facilities and event management to ensure the safety of site users and the public, while maintaining an effective traffic flow. We bring exceptional level of customer service to our clients by supplying the most experienced, reliable and qualified traffic personnel to complete your project. We are

able to consistently deliver high standard of work due to our industry experienced team within the organisation.

#### FLEXIBILITY

We're ready to help increase productivity, reduce costs and be a valuable asset because we understand the industries we support, and their challenges. That's why we provide 24-hour phone support for peace of mind. Our workers comply with the highest standards and industry requirements. We'll take the time to understand exactly what your project requires then ensure we give you an efficient, cost-effective and quality personnel solution.

#### ONBOARDING

Onboarding your workforce through MC Labour allows your

company to outsource the payroll and compliance aspect associated with employing staff. This means MC Labour carries the liabilities of employing a workforce, allowing flexibility during the fluctuations of a project.

#### COMPLIANCE

MC Labour complies with the highest industry standards and the specific requirements set down by your industry sector including relevant standards in Occupational Health and Safety (we are AS4801 compliant). We have full and current Professional Indemnity, Enterprise Bargaining Agreements, Industry Awards and, where appropriate, specific requirements, including work cover insurance to cover all job
