

Title:

Supply of Self Geared General Cargo Vessels for transportation of coated line pipe from Southeast Asia to Australia

Description:

Expressions of interest are being sought from CONTRACTORS able to supply services and equipment in support of the Barossa Gas Export Pipeline Installation Scope.

Scope:

Allseas requires CONTRACTORS with the capability to supply general cargo vessels as follows:

- Minimum 11,000t deadweight;
- Foldable hatches;
- Box shaped hold(s);
- Cranes positioned either on portside or starboard side (not in the middle) capable of lifting 30t at 25m outreach;
- Tween decks;
- Safe access to the holds (Australian ladders);
- Fall protection system which can be used in between of and/or next to pipe stacks on board;
- Certified crane drivers on board;
- Be able to work 24/7 (vessel crew in cranes and in hold to hook on and off);
- English speaking crew;
- Air-conditioning in crane cabins.

Expression of Interest Instructions

This is a request for specific expressions of interest only. CONTRACTORS will be considered for future follow up if suitably qualified against this package.

CONTRACTORS are to express interest via ICN Gateway where competency can be demonstrated. Electronic EOIs will be accepted for Full Scope and/or Partial Scope.

Note that an important part of the project registration process is to register an Expression of Interest at the correct Scope level.

Scope level definition:

Full scope: Able to produce / supply all of the package.

Partial scope: Able to produce / supply one or more of the sub-packages.

Contractors will only be considered for Prequalification to Tender if deemed suitably qualified by Allseas.

All initial enquiries can be made through the Industry Capability Network, including assistance with EOI submissions on ICN Gateway.
