

PLUTO LNG TRAIN 2

SR Number: 26221-100-SR5-GA05-00003

Title: Construction Access Control & Muster

Scope of Work: The scope of this work is to provide for the all-inclusive design, material supply, factory acceptance testing to perform this early works deployment of an access control and mustering system for the Pluto Train 2 Site. The system design is intended to provide enrollment, multi factor authentication access control for entry, status personnel as off-site/bus-transit/on-site for accountability. Installation is planned by others with Supplier support for software configuration.

Compliance with applicable Australian/local regulations, statutory requirements, Australian codes, and standards is required.
