

<b>Package Title</b>	<b>Quantity Surveying Services</b>
<b>Reference Number</b>	<b>TBA</b>
<b>Package Description</b>	<p><b>Background:</b></p> <p>Woodside has a range of opportunities that may require Quantity Surveying (QS) support during early engineering phases with options to continue into Front End Engineering &amp; Design (FEED) work and subsequent construction support during Execute phase.</p> <p><b>General Scope of Works:</b></p> <p>Contractor is to provide/perform:</p> <ul style="list-style-type: none"> <li>• QS services at Client’s Engineering Contractor’s overseas offices to complete the Work in accordance with the Company’s Basis of Design (BOD) and Key Dates.</li> <li>• Services to be provided by Contractor include, but are not limited to; <ul style="list-style-type: none"> <li>a. Establish and maintain effective professional relationship with Operator project team;</li> <li>b. Provide timely and accurate input into preparation of tender documents including Bill of Quantities (BoQ).</li> </ul> </li> </ul> <p>Optional FEED phase scope includes;</p> <ul style="list-style-type: none"> <li>c. Maintain effective professional relationship with Operator project team;</li> <li>d. Assess Construction Tender Schedule of Rates (SOR) as submitted by tenderers, including identification and resolution of anomalous rates and rate omissions;</li> <li>e. Factor quantities derived from its or the Engineering Contractor’s databases of analogue developments;</li> <li>f. Develop model bills of quantities for analysis during tender evaluation phase;</li> <li>g. Discern Bill of Approximate Quantities (BoAQ) related elements of received tenders and assess against factored quantities derived from analogue developments.</li> <li>h. Develop sensitivity models and ‘what if’ scenarios during tender evaluation phase;</li> <li>i. Provide strategic support to the project team during tender period including responses to price related clarifications and qualifications;</li> <li>j. Develop the bid tabulation;</li> <li>k. Provide input to development of final contract documentation;</li> <li>l. Progressive update of the BoAQ, interfacing with the 3D engineering design model; and</li> <li>m. Provision of cost forecasts and quantity trending information as design develops.</li> </ul> <p>Optional Construction support scope includes;</p> <ul style="list-style-type: none"> <li>a. Collaborate with Company Engineering Contractor and implement Execution Phase QS Schedule (to be fully aligned with Construction Contractors, and Specialist Contractor schedules);</li> <li>b. Sub- Contract local QS personnel in international fabrication locations as required and manage performance;</li> <li>c. Establish and maintain effective professional relationships with Specialist Contractors;</li> <li>d. Perform measurement and remeasurement of the contract price;</li> <li>e. Provide claims defence support;</li> <li>f. Conduct assessment of variation requests;</li> <li>g. Conduct assessment of progress claims;</li> <li>h. Perform cost trend reporting;</li> </ul>

	<ul style="list-style-type: none"> <li>i. Monitor usage of yard general services;</li> <li>j. Monitor specialist contractor costs;</li> <li>k. Support agreement of the final account for the Construction Services contract; and</li> <li>l. Provide Contractor proprietary systems approved for use by Company.</li> </ul>
<b>Standards</b>	Not Applicable
<b>Delivery Place</b>	UK and other international locations for optional construction support services
<b>Supplier EOI Instructions</b>	<p>Supplier(s) are invited to express interest by registering on <a href="#">ICN Gateway</a> where competency and previous positive experiences of international projects including fabrication yards can be demonstrated.</p> <p>ICNWA will follow up on full scope registrations by email, once the full scope closing date has passed. The supplier's response to ICNWA's email will form their Expression of Interest (EOI) for this package.</p> <p>Suppliers will only be considered for Prequalification to tender if deemed suitably qualified based on criteria, including but not limited to, HSSE, Quality management, financial standing, Onshore / Offshore and Workload availability.</p> <p>Please note this is an Expression of Interest (EOI) only, the content of this work is subject to change pending project demand and timelines.</p>
<b>Contact</b>	<p>All initial enquiries should be made through the Industry Capability Network Western Australia</p> <p>Ray Loh  <a href="mailto:Ray.Loh@icnwa.org.au">Ray.Loh@icnwa.org.au</a> or</p> <p>Hengameh Kiani  <a href="mailto:Hengameh.Kiani@icnwa.org.au">Hengameh.Kiani@icnwa.org.au</a>        +61 (0) 8 9365 7499</p>
