1. INTRODUCTION

ASC Pty Ltd is seeking Expressions of Interest (EOI) from companies with the capacity and capability to supply electrical consumables (as detailed in the Scope of Work below) for the sustainability of the Collins Class Submarines (CCSMs).

The electrical consumables will be supplied to ASC North located at Osborne, South Australia, and ASC West located at Henderson, Western Australia.

2. SCOPE OF WORK

At a high level, the Scope of Work comprises the supply of the following consumables:

- Connectors;
- Relays;
- Cables;
- Heatshrink; and
- Fuse.

3. EOI SUBMISSION REQUIREMENTS

All interested companies must submit a detailed description of their capabilities, including:

- The company's trading name, website, ABN, number of employees and annual turnover;
- The company's capacity and capability to provide the scope of work (as listed above);
- The details of other projects in which the company supplied similar scope;
- What State/s the company has these capabilities in;
- Any other competitive discriminators the company has that are not covered above; and
- The company's point of contact in respect of the submitted EOI.

Following review of EOIs, ASC intends to request proposal(s) from the shortlisted companies.

Registrations Close Friday the 3rd March 2023.

All EOI submissions shall be submitted via the Industry Capability Network website.
