

EXPRESSION OF INTEREST

Sea Water Strainers

ASC is seeking **Expressions of Interest (EOI)** from suppliers with the capacity and capability to: **Design and Manufacture\Supply Sea Water Strainers for the Collins Class Submarine (CCSM) – A100990.**

Requirements:

ASC are seeking high quality Sea Water Strainers suited for sea water cooling systems in a marine environment, designed and manufactured by a supplier for use on CCSM. The strainer must be capable of operating at pressures of up to 4 MPa and be able to be made from exotic materials and incorporate an existing marine growth protection system.

EOI Submission Requirements:

All interested suppliers must submit a concise brief demonstrating:

- The supplier's capacity and capability to meet the project requirements,
- A high level overview of personnel required to complete the above scope and;
- A high level understanding of Defence processes and procedures.

All suppliers' will be subject to the ASC Supplier Qualification process including being required to enter into a Non-Disclosure Agreement to participate in the Request for Tender.

This EOI is an invitation to treat and must not be construed, interpreted, or relied upon, whether expressly or impliedly, as an offer capable of acceptance by any person, or as creating any form of contractual, quasi-contractual, restitutionary or promissory estoppel rights, or rights based upon similar legal or equitable grounds.

The Respondents' participation in any stage of the EOI process, or in relation to any matter concerning the EOI, is at the Respondents' sole risk, cost and expense. ASC will not be responsible for any costs or expenses incurred by any suppliers in preparation or lodgment of a response or taking part in the EOI process.

Please register your interest in respect of this project via the Industry Capability Network website at <https://gateway.icn.org.au/project/4038/asc-pty-ltd-supplier-capability-and-innovation-portal>

Registrations close 11:59pm (ACST) Friday 24th of March 2023.
