

Package Description

Driver Training

Package Name

Driver Training Provider in Darwin, Northern Territory

Scope of Service Required

Tamboran Resources Limited is in need for a provider to offer the following driver trainings to its field and office-based employees who are part of the petroleum exploration and appraisal works in the Beetaloo Sub-basin here in the Northern Territory (NT).

1. **TLIC2023** – Operate 4WD vehicle.
2. **FWPCOT3260** – Recover 4WD vehicles.
3. **TLI3036** – Apply safe car driving behaviours.

Minimum Requirements

- A NT-based Registered Training Organisation (RTO).
- A RTO authorised to issue qualifications or statements of attainment once learners have been assessed as being competent against the requirements of each course.
- Demonstrate performance and compliance with an organisational HSEQ Management System.
- Demonstration or Indigenous participation or provide current involvement statistics for Indigenous businesses and employees (*desirable*).

Delivery / Supply Schedule

- As soon as possible.

Project Registration Information

Tamboran Resources Limited is committed to ensuring Australian Industry the opportunity to participate in its Northern Territory Operations.

You are invited to submit an expression of interest if you have the relevant capability and capacity to undertake the above scope of service.

Training providers will only be considered for prequalification or tender lists if suitably qualified.

All expressions of interest (EOIs) are to be completed via ICN Gateway <https://tamboran.icn.org.au/>. Please contact ICN NT if EOI assistance is required. Contact details: (08) 8922 9422 or resources@icnnt.org.au.

Note that an important part of the project registration process is submitting your EOI at the correct Tier level.

Tier level definition:

Full Scope (Tier 1): Able to produce / supply all of the package. **Partial Scope (Tier 2):** Able to produce / supply SOME of the package.

More information about Tamboran Resources Limited and its Northern Territory Operations can be found on the company website: <https://www.tamboran.com/>.
