

# Barossa Offshore Project

Reference No: **20230620-AUW**

Title: **Barossa FPSO Production Chemical First Fills in Singapore**

Scope of Work: The scope of work requires the supply of bulk chemicals to the BW Opal FPSO, currently under construction in Singapore. The scope of work shall include all transport and bunkering to the BW Opal FPSO at the designated location in Singapore, this supply is anticipated in Q4 2024.

The scope shall include, but not be limited to, the following activities:

- I. Supply of bulk chemicals first fills for the BW Opal FPSO; namely MEG and Methanol to the indicative volumes indicated below.

Chemical	Indicative Volume*
MEG	3530m <sup>3</sup>
Methanol	2580m <sup>3</sup>

\*Volumes subject to change.

- II. Bunkering of the bulk chemicals listed above onto the BW Opal FPSO in Singapore waters (exact location to be determined), inclusive of any and all approvals required.
- III. Safety and assurance reviews of bunkering vessels and bunkering operations.
- IV. Liaise with Santos, its Contractors and other relevant stakeholders for the supply and bunkering of chemicals in Singapore.
- V. Engagement of a mutually agreed, 3<sup>rd</sup> party agent for custody transfer.

The preferred supplier shall have appropriate HSE and Quality Management Systems for undertaking all activities under this scope of work. Previous demonstrated experience in supply, storage, and bunkering of bulk chemicals in Singapore is preferred.

Indicative contract award: 1H 2024

- Objectives: The main objective for this source of interest and information are to:
- Enable Santos to gather the latest market information on capable service providers for the identified the scope of work.
  - Understand capability of any identified service providers to support overseas activities using a network of suitably qualified and experienced personnel local to the area in which the work assignment is to be performed.

## Project Registration

Santos is committed to ensuring Australian Industry full, fair, and reasonable opportunity to participate in the Barossa Project. Expressions of Interest are invited from contractors and suppliers with the relevant capability and capacity to undertake the scope of work.

This is a request for specific expressions of interest. Contractors and suppliers will be considered for prequalification and tender if suitably qualified against this package.

Scope level definition:

**Full scope:** Able to produce / supply all of the package.

All registrations are to be completed via ICN Gateway [BarossaOffshore.icn.org.au](http://BarossaOffshore.icn.org.au). Please contact the ICNNT if registration assistance is required. Contact details: (08) 8922 9422 or [resources@icnt.org.au](mailto:resources@icnt.org.au).
