Dear prospective supplier

## **Inland Rail update**

Thank you for registering your interest in providing goods/services to the Inland Rail project.

I am writing to inform you that, in line with the Australian Government's response to the Independent Review of Inland Rail, ARTC has established a wholly owned subsidiary, Inland Rail Pty Ltd (IRPL), to deliver the Inland Rail program.

Please refer to this media release for more information on the subsidiary, including the announcement of the Chair and directors – [Inland Rail - A new way forward | Ministers for the Department of Infrastructure](#).

ARTC and IRPL are working through transitional arrangements regarding the Inland Rail program and we will provide an update on this in due course via email, ICN Gateway/Tenderlink and the Inland Rail website.

In the meantime, should you have any questions, please contact Jason Manttan, Supply Chain and Social Compliance Manager on 07 3016 3504 or [irsuppliers@artc.com.au](mailto:irsuppliers@artc.com.au).

Yours sincerely
