TITLE: C1282858 – Hire of Offshore Containers

DESCRIPTION: Chevron Australia is seeking expressions of interest from suppliers to provide offshore containers on a short-term hire basis for use at the Dampier Shorebase, Onslow and other offshore support facilities in the North West Shelf or elsewhere in Australia as required by Chevron for Drilling and Completions operations. The proposed term is five years.

The supplier will be required to have:

- An operational base in Dampier.
- Capacity for a large fleet of containers comprising:
 - Dry goods containers
 - Open top containers
 - Half height baskets
 - Cargo baskets
 - Drum baskets & mud skips
 - Chemical tanks
 - Cages & frames
 - Mini workshops
 - Rubbish & waste units

Containers will be collected from Supplier's site (on-hire point).

Other requirements include:

- Daily hire basis with rates inclusive of wire rope sling assembly, all inspection, certification and testing to maintain appropriate standards.
- Dry containers to be hire-pressure cleaned prior to hire.
- Capability to clean residue from chemical tanks to NAS1638 standard including safe disposal of residue.
- Full certification of containers by Det Norske Veritas (DNV) to international offshore lifting standards DNV2.7-1 and EN12079.
- Lifting Slings to be suitable to the maximum payload of the DNV rated container, with slings to be tested to appropriate DNV or EN standard.
