

Kemerton Lithium Project – Expression of Interest

- Project Overview:** Albemarle Lithium Pty Ltd (Albemarle) operates a lithium hydroxide plant, and associated infrastructure, within the Kemerton Strategic Industrial Area (KSIA), approximately 17 kilometres north-east of Bunbury. The Kemerton facility is approved for up to five processing trains and the associated reagent plant, utilities, and infrastructure. Phase 1 of the development consists of two process trains (trains 1 and 2). The Kemerton Expansion Project is Phase 2 of the development of the Kemerton facility and involves adding two additional processing trains (trains 3 and 4) and expanding the reagent and utility infrastructure where necessary, to essentially double the existing plant's production capacity.
