

CHEVRON AUSTRALIA

TITLE: C1394762 - Vehicle Lease and Maintenance

DESCRIPTION: Chevron has a requirement for personnel transport provision in Onslow for Wheatstone Operations. Chevron seeks a Contractor to provide full fleet lease of light vehicles (consisting of standard work utilities and wagons), flatbed trucks and a minivan. Chevron also requires the Contractor to provide management and maintenance of these leased vehicles from an offsite location, in accordance with all Chevron required standards.

Vehicle requirements for steady state operations are estimations only and are as follows:

- 1 of minivan;
- 53 of 4x4 dual cab;
- 7 of 4x4 wagon; and
- 2 of single cab flatbed trucks.

Company will have special requirements for these vehicles depending on the use, such as:

- rollover protection;
- enclosed toolboxes, where applicable;
- LED flashing lights and work light;
- tow bars;
- bull bars;
- all vehicles need to be diesel powered; and
- all dual cab and wagons must be capable of transporting minimum of four personnel, tools and equipment.
