

CHEVRON AUSTRALIA

TITLE: C1398755 – Specialist Labour Services for Turbomachinery

DESCRIPTION: Chevron is seeking expression of interest for the provision of Specialist Labour Services for Turbomachinery for Company's Australasian Strategic Business Unit (ABU) including but not limited to WA Oil Asset Operations at Barrow Island, Gorgon LNG Facility, Wheatstone LNG Facility, Wheatstone Offshore Platform and Company operated mainland facilities and any Contractor operated facility that is used in the provision of Services.

Company's in scope equipment will consist of heavy duty gas turbines, aeroderivative gas turbines and various centrifugal compressors, gearboxes and generators as follows:

1. GE Frame 9 series gas turbines;
2. GE Frame 7 series gas turbines;
3. GE LM6000 series gas turbines;
4. GE LM2500 series gas turbines; and
5. Various expanders, centrifugal compressors, gearboxes, generators.

For the purposes of this RFI, provision of specialist labour services for turbomachinery primarily involves:

- a) Provision of skilled labour competent in the disassembly, inspection, remediation and re-assembly of Company's in scope equipment as outlined above at Company's Work Locations Specialist labour may work either directly under the supervision of Company's Representatives or as a team led by Contractor's Supervisor.
- b) Provision of skilled line supervision competent in the disassembly, inspection, remediation and re-assembly of Company's in scope equipment as outlined above Company's Work Location. Line Supervisors will work under the direction of Company's Representatives and lead Contractor's specialist labour team. If requested, Contractor's supervisor shall also take primary responsibility for the management of all activities and functions required of Contractor including but not limited to interfaces with Company, onsite Contractor personnel, other Contractors and Contractor's subcontractors and regulatory agencies

For the avoidance of doubt, Contractor is required to provide labour and supervision (when requested) only. All parts, materials, tools and equipment associated with the work will be provided by Company.
