

CHEVRON AUSTRALIA

TITLE: C1340404 – Diving Services

*****Contract Award Information*****

Contract awarded in two components as detailed below;

Contract Number	Successful Contractor	Description of package
C1340404	Neptune Diving Services	Air Diving Services
C1523726	DOF Subsea Australia	Saturation Diving Services

DESCRIPTION:

Chevron Australia is seeking expressions of interest from contractors interested in providing diving services for the Chevron Australia Assets; including WA Oil, Gorgon; and Wheatstone. Early expressions of interest are being sought to enable Chevron to define the final services scope and the type of contractual arrangements that should be applied to the package(s).

The requirement for diving services will principally arise from the need to maintain the integrity of Company's subsea assets. The Contractor shall be requested to provide all personnel, equipment, materials and vessels (where required) to perform activities including but not limited to the following:

- (a) Structural visual inspections
- (b) Export pipeline and marine terminal diving operations
- (c) Riser inspections
- (d) Cathodic protection system inspections
- (e) Weld inspections
- (f) Freespan stabilisation and rectification
- (g) Spar buoy inspections, maintenance and replacement
- (h) Rig and exploration support
- (i) Environmental surveys
- (j) Emergency maintenance and repairs of subsea systems
- (k) Post cyclone survey of subsea assets
- (l) Emergency diving spread provision
- (m) Saturation and surface supplied diving plant and equipment
- (n) Hyperbaric Evacuation craft
- (o) Onshore Hyperbaric Reception Facility
