

CHEVRON AUSTRALIA

TITLE: U-14356 - Fourth Party Logistics (Barrow Island, WA Oil)

DESCRIPTION: Chevron Australia (Chevron) is seeking expression of interest from suppliers who have the organisational and operational capability to meet the following scope of work. Chevron has operated WA Oil on Barrow Island ("A" Class Nature Reserve) since 1964 and currently supports an operations workforce of 80 personnel producing from 8 reservoirs. Chevron and Joint Venture participants seek experienced providers of Fourth Party Logistic services to establish, implement and operate a multi-modal, end to end materials movement solution from Perth to Barrow Island (WAPET landing facility). The work scope will be conducted in accordance with Chevron's environmental commitments and under the Chevron Quarantine Management System.
